

CopyFax Managed Print Services saves you time and money and it sets us apart from our competition. By outsourcing your print management to CopyFax you are able to focus on what you do best while we focus on increasing your equipment's productivity, efficiency and quality. Here's how we do it:

*CopyFax lets me focus
on profit, not printing.*

THE COPYFAX PARTNERSHIP

We partner with you to get to know your business and learn exactly how you use your office equipment. This gives us a complete understanding of your company's needs.

YOUR DOCUMENT'S TRUE COST

We compile the data and use CopyFax tools to discover the true cost of your documents. We'll show you exactly where your time and resources are spent.

SERVICE THAT GOES THE EXTRA MILE

Keep your equipment! Our experts are able to service almost any production device regardless of make or model. We provide a service and supply combination unmatched in the industry, ensuring that your hardware is ready to produce the high-quality documents you need, when you need them.

SOLUTIONS BASED ON EXPERTISE AND TECHNOLOGY

CopyFax uses @Remote to proactively manage your devices. Through this remote monitoring software we can track the supply levels and service status of your equipment, as well as conduct automated meter readings.

The Bottom Line:

CopyFax's Managed Print Services gives your company more time to do what you do best.
